THINKING OF SELLING YOUR BUSINESS?

An experienced business broker can make all the difference...

- ✦ **The key to selling your business successfully...** will be finding a qualified buyer who can purchase your business under the right conditions; and at a price and terms acceptable to you. Tabak has a large client base of pre-qualified buyers, so you can be sure any buyer we introduce to you is serious.
- ✦ **Call now to arrange a free appraisal...** with one of our specialist brokers or request express delivery of a free copy of our 45 page guide to understanding the comprehensive process of selling your business.

Please read the following carefully:

- We double check everything at our end, but we all make mistakes sometimes. Its ultimately your responsibility to check all your details are correct. Pay particular attention to spelling, dates, prices, names and contact details. We cannot accept responsibility for any errors detected after approval for print. We recommend you print your proof out then check it.
- Be aware your monitor screen or print out may not match the colour of your final print. (Contact us if you require a more colour accurate proofing method.)

There are 3 options in which to proceed:

- **APPROVED FOR PRINT** If you are happy with your artwork, please indicate so on a return email.
- **APPROVED FOR PRINT WITH CHANGES** If your changes are simple and not too numerous, please number and detail each change on a reply email.
- **CHANGES - FURTHER PROOF REQUIRED** Please detail your changes clearly on a reply email.

(Author's changes may incur additional artwork charges. If we feel your changes are too numerous or ambiguous or affect any other part of your order, we may contact you directly for clarification before proceeding.)

Please do not hesitate to contact us if you have any questions.
