

Sick of smelly unhealthy air?

WE HAVE THE SOLUTION FOR YOU! ITS CALLED "BREATHE"

And it's perfect for classrooms, common rooms, hostel and boarder accommodation, cafeterias, changing rooms, bathrooms and so much more

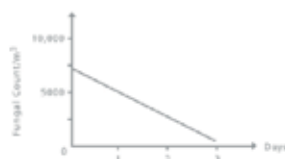

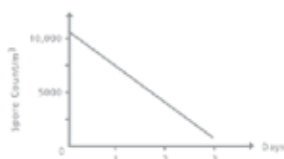

YOU WILL SMELL THE DIFFERENCE!

- Aerate, refresh and cleanse stale indoor air
- Reduce mould and fungi growth
- Humidify the surrounding air
- Release negative ions
- Effectively reduce pollen, airborne allergens, virus's and bacteria
- Eliminate offensive odours

- Lavender
- Peppermint
- Eucalyptus
- Green Apple

- Covers over 300 square metres
- Draws five cubic metres of air through it's scrubbing chamber each hour
- Special Tea Tree based Oils kill 99% of bacteria on contact
- Easy to operate, add water, add oil and turn on!

Tested by :

• Queensland University of Technology, Australia

• SGS (www.sgs.com)

• PSB (a subsidiary of TUD-SUV, Germany)
