hand crafted in the traditional style, our range of *dolce* deliver the authentic Italian taste

Panforte is the age-old sweet spice cake of the Tuscan town Siena, its origins dating back in time to before the first medieval Crusade. A visit to Siena would certainly include a taste of this unique local speciality.

Traditionally Tuscan hand crafts this delicious treat here in New Zealand using all natural ingredients and traditional methods.

Our range of *Panforte* includes

- Panforte di Siena, the original taste of citrus and almond
- Panforte al Cioccolato, a decadent marriage of traditional panforte, chocolate and cherries;
- Panforte al Marzapane, a luxurious option, enhanced with sweet melon and wrapped in a layer of our own marzipan;
- Panforte Fici e Nocci, figs and hazelnuts lend their unique flavour combination in this NEW addition to our range

We also bake other genuine Italian *dolce* including

Cavallucci: a satisfying spicy walnut biscuit with a hint of aniseed

Ricciarelli: a delicate almond confectionery, with a light orange and vanilla fragrance

Marzipan: genuine smooth almond paste
